Parking

I'd like you to never have to back up in the lot and always face east with your car. Go in and out the correct way. That is the first step to a safer parking lot. Thank you!

Parenting in a Technology-Saturated World

📖 A program will be held at Mead Public Library entitled "Too Much, Too Soon, Too Easily: Parenting in a Technology-Saturated World". The presenter will be Philip Chard, Pewaukee-based psychotherapist, trainer, author and award-winning Milwaukee Journal Sentinel columnist.

📖 The explosion in technology-based gaming, social networking, instant communication and entertainment media has become a potent and ubiquitous force in child development. Philip Chard will explore the perils and promises posed by this technology. He will also examine strategies for educators, child development professionals and parents in their efforts to raise healthy children in an IT-centric world.

📖 This program will be held from **6:30-8:00 pm** on Wednesday, **February 28**, in the Rocca Meeting Room of the library. This program is free and open to the public; no registration is required. Please join us!

Fern and Avery are busy playing in the barn. The animals have a plan. They are working together. Could you spin a web?

📖 Readings this week are:

- February 12 Chapter 12
- February 13 Chapter 13
- February 14 Chapter 14
- February 15 Chapter 15

OPEN HOUSE

We will be having an Open House for any interested families to look around our school, sit in the classroom, look at curriculum and get a general idea of what we are all about. The day will be Tuesday, February 27th from 8:30am to 2:00pm. Our 3K-4K students meet in the morning until 11:15am. The Wisconsin Parental Choice Voucher Program is expanding to 3% of the district for the next school year; which means that more students will be able to apply and receive a voucher. Please spread the news to anyone who may be interested.
