Happy Birthday

May God Bless You On Your Birthday!

Scholastic Olympics

Scholastic Olympics is an inter-school competition in which students can match their wits against students from other SALSA schools. Together team members answer questions in the areas of religion, math, language arts, social studies, science, and more. Members do not have to be proficient in all the subject areas and many winning answers are about information learned outside of the classroom. The final meet will also take a new format where teams will compete in 10 rounds of 10 questions. The answers will be written instead of oral. This format follows a trivia night format if you are familiar with that. **The final meet will be held at Bethlehem Lutheran School on Saturday morning, April 21. The 5/6 team will begin at 8:30 and should be done by around 10:00. The 7/8 team will then start at 10:15-10:30, depending on when the 5/6 gr. ends.**
