Schools + Parents = Success

What happens when parents get involved in their children's education? Grades go up – and behavior improves, too. Whether it's reading together or attending a parent conference, parent involvement does make a difference.

Pizza Making Fun

Don't forget on **Saturday, January 26th**, St. Paul School & Church will be making delicious homemade, FRESH pizzas!

PLEASE SAVE THE DATE!

Parents, we will need all hands on deck to make this project a profitable one for our church and school. There is a sign-up sheet in the school office. Please sign up so we know if we have to make phone calls to enlist more helpers. Each of the last six years we made over 1,250 pizzas and had a profit of over \$4,000, and with about 60 helpers we finished making the pizzas in 3½ hours. The more workers we have, the less time is needed. Order forms are due to be handed in next Friday January 11th, however it will be ok to hand the forms in the following Monday. This will allow you to get more orders over the weekend. Payment at time of ordering is encouraged, but not required.

Don't forget to print your name and most important your phone number on the space provided, so if you are not present when your order is ready, we can call you. Also list the students name so we have a record of the number of pizzas they sold.
